03-Oct-12 19:36 | lcgeography

#niedchat Cherith from Phoenix. New to twitter chats so just having a wee look in tonight

03-Oct-12 19:37 | cherithmartin

@lcgeography #niedchat excellent! this is I feel the underpinning aim of collaboration. Normalisation!

03-Oct-12 19:37 | he4therw4t5on

@lcgeography Is the collaboration solely at post16? #Niedchat

03-Oct-12 19:37 | dmchugh675

We've been involved in SEP collaboration for the last three years, and it has been mutually beneficial for staff and students. #Niedchat

03-Oct-12 19:37 | dmurray742

I am not sure that DENI 'Get' Collab. There is very little incentive to engage in colab for the school/ teacher ??? #niedchat

03-Oct-12 19:37 | mapsman

#niedchat Started with good will on both sides, commitment plus willingness to make it work. Strengthened by genuine r'ships btn schools.

03-Oct-12 19:37 | lcgeography

@mapsman I think your right, Tim. Comment made at #SEP12 conference regarding ETI ignoring sharing/collaboration between schools #Niedchat

03-Oct-12 19:37 | dmurray742

@lcgeography #niedchat Have they passed the fieldwork test . . . would you take them out with your own ;-)

03-Oct-12 19:38 | mapsman

@he4therw4t5on Normalisation emerging from regular contact/interaction. That's part of the key. #Niedchat

03-Oct-12 19:38 | lcgeography

#niedchat We link with two other local schools (10miles away). We trialld VC last year but it wasn't overly successful

03-Oct-12 19:38 | crodgers911

@dmchugh675 We're both senior high schools (14 to 18) so it was natural & logistically easier to start there #Niedchat

03-Oct-12 19:39 | lcgeography

#niedchat forgetting the hastag!! The shared Ed advisory group have an interesting task. I will share some of the terms of reference

03-Oct-12 19:39 | he4therw4t5on

#Nledchat 1. Following v significant start, we sought ways to extend this experience to wider range of pupils. So doing joint trip...

03-Oct-12 19:41 | lcgeography

Have tried to with local schools but, so far, no response. Want to improve transition... #niedchat

03-Oct-12 19:41 | MrMalcontent

We have a rather cool Spanish programme going with partner primary schs, and a Music programme with a local special school. #SEP12 #niedchat

03-Oct-12 19:41 | dmurray742

#Nledchat 2. ...to Italy next March. 70 pupils from moth schools going. Had team building weekend last June. Superb experience for all.

03-Oct-12 19:42 | lcgeography

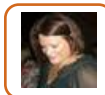

@MrMalcontent #niedchat I led a collaboration project in Cookstown last year with 7 schools represented on 3 levels. First aim - friendship!

03-Oct-12 19:42 | he4therw4t5on

@he4therw4t5on The only schools who do this are part of a paid programme surely . . . like SEP? #niedchat

03-Oct-12 19:43 | mapsman

#niedchat I think from what everyone is saying its important to have good focus to ensure success and longevity?Based in curriculum? agreed?

03-Oct-12 19:43 | he4therw4t5on

#Nledchat Getting great support from cross comm org in Lurgan, both financial & practical. Ground breaking work. Delighted 2b part of it.

03-Oct-12 19:44 | lcgeography

#niedchat Can I ask, what would you say are the challenges for teachers starting off?

03-Oct-12 19:44 | medv2

@dmchugh675 We used elluminate. It worked but we weren't sure if pupils were as focused if teacher 10 mile away. Cost/time a prob #niedchat

03-Oct-12 19:44 | crodgers911

@medv2 #Nledchat It starts from good will and desire from partner schools. With that, many things are possible.

03-Oct-12 19:45 | lcgeography

#niedchat hi folks, collaboration taking place where i work, it doesn't directly involve me though. Some colleagues are v sceptical

03-Oct-12 19:45 | cillian_walsh

@crodgers911 Looks like we'll be switching to "Flipped" model with videos and quizzes sprinkled with a few f2f sessions next year. #niedchat

03-Oct-12 19:45 | dmchugh675

#niedchat Long term what would we hope to achieve by collaboration between our schools? An "Integrated" system How do you feel this wd work?

03-Oct-12 19:46 | he4therw4t5on

@mapsman Already have!! Weekend in Castlewellan last June. #Nledchat

03-Oct-12 19:46 | lcgeography

03-Oct-12 19:49 | he4therw4t5on

03-Oct-12 19:49 | crodgers911

03-Oct-12 19:51 | lcgeography
